**Grom 4'9"**  
**#14459**

The 4'9" Grom model is the perfect first board for your son or daughter to call their own. Great to learn on, then as your youngsters ability develops they'll experience board tailored to their needs. Not a gimmick or scaled down design, a true performance shortboard developed with input from top young surfers.

Width: 15 7/8"  
Tick: 2"  
Tail: 13 1/4"  
Nose: 11"  
Leash: 6'  
Fins: MT-4

299 €

**Grom 5'4"**  
**#14460**

Developed to cover the gap from the smallest grom boards to the standard high performance shapes. The 5'4" is great intermediate sized design thats perfectly suited as juniors first board. Friendly enough for learning this design features contemporary high performance shortboard rockers and outlines ensuring a board that you can progress and perfect new moves with.

Width: 16 7/8"  
Thick: 2 1/8"  
Tail: 13 5/8"  
Nose: 10 7/8"  
Leash: 6'  
Fin: MT-4

299 €

**Shortboard 6'0"**  
**#10233**

The 6'0" shortboard was developed with our Hawaii design team. This high-performance shape appeals to intermediate thru advanced surfers that are looking for a durable epoxy board to progress with. Contemporary rockers and outlines create a lively board, that doubles as a perfect as a first "short" design for lighter riders.

Width: 18 1/4"  
Thick: 2 3/8"  
Tail: 14"  
Nose: 11"  
Leash: 6'  
Fin: MT-4

299 €

**Shortboard 6'2"**  
**#11938**

The 6'2" NSP Shortboard is a modern shape designed for performance. While it accomodates entry-level riders, the 6'2" is a true "shortboard" favouring intermediates and even advanced surfers. Constructed in super durable E2 epoxy it will provide endless hours of fun.

Width: 18 3/4"  
Thick: 2 3/8"  
Tail: 14"  
Nose: 11"  
Leash: 6'  
Fin: MT-4

309 €

**Shortboard 6'4"**  
**#11940**

The 6'4" features the latest bottom rockers and a modern outline for performance. Designed as a "real shortboard" for intermediates and more core surfers, its size provides a cushion that accomodates entry-level riders as well. With super durable E2 epoxy construction it's a board that you won't mind letting your friends ride.

Width: 18 3/4"  
Thick: 2 1/2"  
Tail: 13 3/4"  
Nose: 11"  
Leash: 6'  
Fin: MT-2

**Shortboard 6'6" #11911**

The 6'6" is a wildly popular board entering it's fifth season in the NSP line. Featuring a generously proportioned design it offers enough volume for larger riders, choppy conditions and full wetsuits without compromising performance. More forgiving than your typical shortboard, the 6'6" has proven to be a great board to get you into "short"boards.

Width: 20"  
Thick: 2 7/16"  
Tail: 14 1/4"  
Nose: 12 3/8"  
Leash: 6"  
Fin: MT-2

339 €

**Fish 5'6" #10234**

With its unique blend of retro and modern features this design incorporates a flipped nose with a shallow entry and a wide body with soft bump wing tapering to swallow tail. Fish delivers great down the line speed that translates those less than perfect days into good fun. Stable enough as a first shortboard for the groms, it makes a great addition to almost any quiver.

Width: 19 3/4"  
Thick: 2 1/8"  
Tail: 16"  
Nose: 15 1/4"  
Leash: 6"  
Fin: MT-4

329 €

**Fish 6'0" #11865**

Our mid-sized Fish design could possibly be the funnest board in the NSP line. This wide body design is large enough to keep you going, yet small enough to allow plenty of maneuvering on the face. Great down the line speed turns on-shore or small days into your playground. A perfect first shortboard or addition to your quiver.

Width: 20 3/8"  
Thick: 2 3/8"  
Tail: 15 3/8"  
Nose: 15 1/4"  
Leash: 6"  
Fin: MT-2

329 €

**Fish 6'4" #11874**  
Auch erhältlich als Betty!  
#15761

Our full-size Fish design features a broad nose and wide body template combined with a shallow entry rocker. This wide, flat combination allows it to catch the smallest of waves. It's generous proportion handles the bigger riders than the 6'4" length implies. Surprisingly fast and loose, it makes a perfect first shortboard or addition to your quiver.

Width: 20 3/4"  
Thick: 2 5/8"  
Tail: 15 5/8"  
Nose: 15 5/8"  
Leash: 6"  
Fin: MT-2

339 €

**Funboard 6'8" #15754**  
**#15753**  
Auch erhältlich als Betty!  
#10231

A worldwide favourite, the 6'8" is a versatile design that packs a punch. Experts will be surprised at the performance and balance, not too big, not too small. Internediatees will love the forgiving characteristics and surfability. A great choice as a first board for the groms or surfers looking for a full body design to put the fun back in their surfing.

Width: 21"  
Thick: 3"  
Tail: 14 1/2"  
Nose: 15 3/4"  
Leash: 7"  
Fin: MT-2

## Funboard 7'2"

#15756

#15755

Auch erhältlich als Betty!  
#11889

The 7'2" is a racy fun shape that caters to a wide range of riders. The outline offers a very slight bump wing blending into a rounded pintail that optimises less than perfect waves. It's a well-balanced board that surfs great regardless of your skill. Whether you are an experienced surfer looking for a fuller fun shape or a novice wanting a little more size for comfort, this design has become a favourite in the NSP range.

Width: 21"  
Thick: 3"  
Tail: 14 1/4"  
Nose: 15"  
Leash: 8"  
Fin: MT-2

359 €

## Funboard 7'6"

#15758

#15757

Mini- Malibu  
Auch erhältlich als Betty!  
#14469 und #11873

The 7'6" is a nicely balanced, wonderfully styled tri-fin egg that performs like a gem. Since its introduction five years ago, this model has been the foundation of the NSP funboard line. Perfect as a longboard for groms or an all-round funboard for intermediates, it continues to provide great fun for all who ride. This is an ideal board for the recreational or weekend surfer who just wants to have fun.

Width: 22 3/4"  
Thick: 3"  
Tail: 14 5/8"  
Nose: 17 1/4"  
Leash: 8"  
Fin: MT-2

379 €

## Funboard 7'10"

#15760

#15759

Mini- Malibu

The 7'10" puts the "fun" back in Funboards. An all-around board that works equally well cruising the small stuff with lightweights or driving down the line with larger riders, don't let its racy looks fool you. While this hot-rod is performance-orientated, its forgiving enough for learning too. This design is a single board quiver for many NSP surfers and seen in many surfschools.

Width: 22"  
Thick: 3"  
Tail: 14 1/4"  
Nose: 16 7/8"  
Leash: 8"  
Fin: MT-2

389 €

## Longboard 8'2"

#11858

#11950

This soon to be labelled classic longboard is great for juniors, petites and anybody looking for a smaller sized longboard. Great as your first board it's friendly enough for beginners, yet has the performance characteristics that will appeal to seasoned surfers. A great addition to any quiver.

Width: 22 1/8"  
Thick: 3"  
Tail: 14 1/4"  
Nose: 17 1/2"  
Leash: 8"  
Fin: MT-2

419 €

## Longboard 8'6"

#11848

#11847

This hugely popular mid-sized longboard is geared purely for surfing fun. A balanced contemporary longboard for mid to lightweights that's terrific for cruising or those just learning to surf. Intermediates and experts will find great performance when ridden off the tail in verhead surf. To many surfers it's the only board they'll need.

Width: 22 1/2"  
Thick: 3"  
Tail: 14 1/4"  
Nose: 17"  
Leash: 8"  
Fin: MT-2

**Longboard 9'2"**  
**#11833**  
**#11831**

A classic performance Malibu with a unique blend of old and new. If it's your first day going straight off, or if you've surfed your whole life, you'll appreciate this design. From overhead grinders to waist-high mush, this is a really fun longboard that delivers. A proven versatile performer, it's appeased experts and beginners alike. It's hard to imagine a better board to learn on that quite possibly you will never outgrow.

Width: 22 7/8"  
 Thick: 3 1/4"  
 Tail: 14 3/8"  
 Nose: 18"  
 Leash: 8'  
 Fin: ST-8 + MT-4

459 €

**Longboard 10'2"**  
**#11949**  
**#10235**

This full-size Malibu is pure surfing fun. It's an updated classic designed to please new and old surfers alike. With its well-balanced thickness and progressive rocker, the board can accommodate both hot dogging and cruising styles. Great for dad in small summer surf or double up the groms and ride tandem. Popular with surf schools, you will see this board in use by discriminating beach boys around the world.

Width: 23 7/8"  
 Thick: 3 1/4"  
 Tail: 13 5/8"  
 Nose: 18 1/2"  
 Leash: 9'  
 Fin: ST-8

499 €

**Longboard 11'0"**  
**#14470**

Oh baby! Turn those Summer days into pure ecstasy with the new NSP 11'0" cruiser. This modern classic with input from old-time beach boys is sure to please. Great for dad in small surf or double up the groms and tandem. Surfers of all skill levels will enjoy the smooth friendly glide it offers. E2 Epoxy ensures a super durable board that's lighter than traditional boards this size.

Width: 25 3/4"  
 Thick: 4"  
 Tail: 16 5/8"  
 Nose: 20"
