**6'6'' Fun Shape
#11910**
"Bonga Perkins Pro model"

Waiting to go off! This Board was designed to be super fun in a variety conditions. It is insanely fast, loose and pickes up waves like a magnet. While Bonga is Primarily Recognised as a Longboarder he rips on short boards, too! He has helped to create a board that's all about increasing your fun factor and wave count.

Width: 20 5/8"
Thickness: 2 1/2"
Fin-Setup: Tri-Fin
Fin Set: FCS MRTX

479 €

**6'10'' Fun Shape
#16647**
"Bonga Perkins Pro model"

A Modern Hybrid design with an incredible range. It's a "sleeper" that is waiting to get off ! The fuller Outline allows you to pick waves off almost at will in crowded conditions. Contemporary Rockers make it ride like a shortboard and with Bonga's insight we have created a board that works unreal for both big and small riders.

Width: 20 3/4"
Thickness: 2 7/8"
Fin-Setup: Tri-Fin
Fin Set: FCS Glass Flex M5

**8'0'' Fun Shape
#16650**
"Bonga Perkins Pro model"

With east coast roots and tenure in Hawaii, Carl Shaper has been perfecting this "Mini-Tank" design for three decades. It paddle and surfs fast, with low entry rocker that provides great wave catching ability. Bonga's worked with Carl Shaper to maintain a balanced design with enough nose width to ride from the front, that remains neutral enough to be ridden on the tail as well.

Width: 22"
Thickness: 2 7/8"
Fin-Setup: 2 +1 w/FCS side
Fin Set: 7 1/2" Schaper center, FCS GX sides

589 €

**8'8'' Longboard"
#15552**
Bonga Perkins Pro model"

The smaller version of the renowned 9'1". For the advanced surfer it is the refined longboard needed for the big days or on fast, down-the-line point breaks. Additionally it's foil and reduced outline make it perfectly suited as the mainstay longboard for riders under 75kg. a great design that performs in a multitude of conditions.

Width: 22 3/8"
Thickness: 2 7/8"
Fin-Setup: 2 +1 w/FCS side
Fin Set: 7 1/2" Schaper center, FCS GX sides

10'0'' Longboard

#14480

"DK Competition"

"DK

Daves absolutes Lieblingsboard. Im 10' steckt so viel Leistung, dass es sich wie ein viel kleineres Board surfen lässt. Natürlich kann man es sehr gut anpaddeln, trotzdem dreht es für ein Board dieser Länge unglaublich gut. Dabei ist es immer noch perfekt für Noserides. Das 10' steht für wirklich grenzenloses Longboard Vergnügen.

Mit dabei hat es alle typischen Kalama-Shapedetails: Viel Tailrocker, eine Konkave im Unterwasserschiff und dünne,

"The 6'3" "Slippah" was developed From a personal need for a more multi-faceted short board. A short board that would get to speed quickly and go as vertical as one could Imagine. Simply, it's a Versatile, high-performance short board that works in really good or not so good surf."

SUP

10'0" Stand Up Paddleboard
#15540
SCH/BONGA

Bonga's high-performance, wave riding stand-up design. The most noticeable feature of the design is the step-deck and rail. This unique configuration creates a full volume board with disproportionately thin rails. The thinner rails allow the board to bottom turn, carve and fit in the pocket much like a standard longboard. Already proven A contest winner, it's designed as a dedicated in-the-surf Stand-up. Not a beginner board !

SHAPER: Carl Schaper
LENGTH: 10'0"
WIDTH: 27"
THICK: 4 1/8"
FIN SET UP: 2+1 w/FCS side
WEIGHT: 11,5kg
Comes with 3 Fins, Tractionpad.
NO Paddle included.

850 €

10'6" Stand Up Paddleboard
#16654
TIMP/KALA

Developed to be the most versatile S.U.P. available. Advanced paddlers will find a board that allows them the highest level of performance. Featuring a single concave bottom with accelerating tail rockers, creating smooth projection off the bottom. The rails are full at mid promoting stability, then taper to a relaxed profile in the tail. This allows you to effortlessly tighten the radius of the turn or hold an old-school trim line. Simply a great in the surf S.U.P.

Width: 27 1/2"
Thickness: 4 1/2"
